LOCATION OF YORK COUNTY TITLES

November 12, 1999

Where Can I Find York County Papers?

York County Newspapers Held by Maine Repositories, sorted by title.

Holdings catalogued by the Maine Newspaper Project, Maine State Library

This is a preliminary list, which does not show the extent of each repository's holdings. A site may have only a single issue of any particular paper. The final list will show the holdings. Brackets around the place of publication means that the location was not given in the masthead, but is evident from information elsewhere in the paper.
